## **Mutual Fund**

Your Gateway To Disciplined Wealth Creation through SIP, SWP, STP, Hybrid funds and Debt funds.

We are an AMFI-registered Mutual Fund Distributor, helping investors choose suitable mutual fund solutions aligned with their financial goals, risk appetite, and investment horizon enabling long-term wealth creation through diversification and disciplined investing.

## **Bonds**

Looking for stability along with predictable returns?

Bond investments allow you to lend money to governments, corporations, or institutions and earn fixed interest income over a defined period. With Chandrakala, you can participate in all kinds of State bonds, Corporate Bonds, Perpetual Bonds, Municipal Bonds etc.

## **Insurance**

Life is uncertain, but your family's financial security should never be.

Term Insurance provides financial protection to your loved ones by offering a large life cover at an affordable premium. True wealth is not just about creating assets, but also protecting the people who matter the most. With Chandrakala show your **PREM** (Protection Retirement Education Marriage) to your family.

# OUR ALLIED SERVICES

## REITs

Now, owning Real Estate doesn't need Crores.

With REITs, you can invest in premium office spaces, malls, warehouses, and commercial properties with small capital and earn regular income from rentals, just like large real estate investors. From landmark buildings to passive income - Real Estate investing is now accessible to everyone.

## InvITs

Ever thought the Toll Tax you pay could pay you back?

InvITs lets you invest in infrastructure assets like highways, toll roads, power transmission lines, and renewable energy projects and earn a share from the income these assets generate. India's infrastructure growth can now become your investment opportunity.

## SLB

An opportunity to make your investments work even when you are simply holding them, through the Securities Lending & Borrowing (SLB) mechanism.

Through SLB, investors can lend their shares to other market participants for a fixed period and earn lending fees in return, still continuing to own the shares.

## Invest in REITs, InvITs and SLB using our app **MOLI**

## UNLISTED SHARES

An opportunity to discover tomorrow's market leaders before they become widely available to the public. With Chandrakal Broking invests in unlisted shares that provide an opportunity to participate in the growth journey of promising businesses at an early stage - even before their IPO.
